

FEEDBACK SURVEY

To help new students in their search for housing, we would like to ask for your feedback so that we can share your comments with them and improve our service further. Answer as many or as few questions as you like.

What did you like and/or dislike about the shared spaces in the house?

I like living in the shared space because the girls were really nice, friendly, quiet, clean, polite and respectful.

What did you like and/or dislike about your room?

i liked the size and the furniture in my room and also how I could control the temperature of my room

What did you like and/or dislike about sharing residence with other girls?

i liked living with the other girls because they were nice to share their things with me.

What did you like and/or dislike about the service from the landlord, cleaning lady, and superintendent?

i liked the everyone. i like how they did their job respectfully, made us a priority and reached out to us if we needed anything.

What did you like and/or dislike about living off-campus?

i dislike the commuting but it saves money

What did you like and/or dislike about the location, neighbourhood, and/or overall convenience?

the place is actually very convenient. im literally one bus away from places i frequently attend such as church, grocery store, mall, friend`s house.

Would you like to include your name and/or social media handle to add authenticity?
